

Good to Go! Your New Home Essentials Checklist

Supporting You Through Every Move

Managing a move and trying to remember every little detail can often feel overwhelming. This checklist is designed to help you organize information on essential items, room by room, so you can identify what you have and what you will need before you arrive. Use it to plan your CANEX purchases in advance and coordinate delivery to your new address, so your new home is move-in ready the moment you get there.
